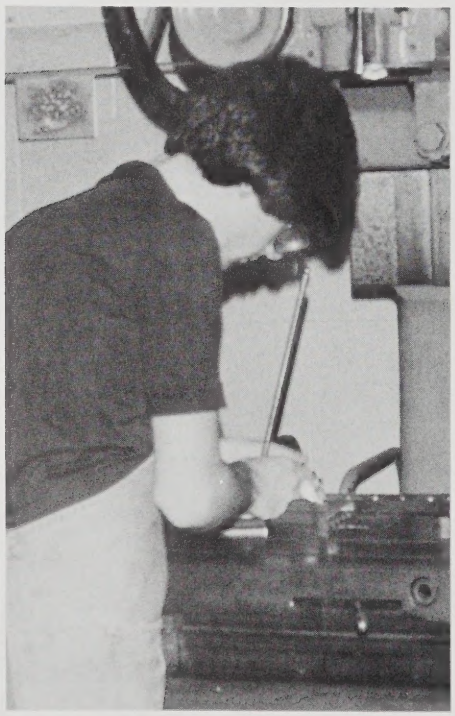
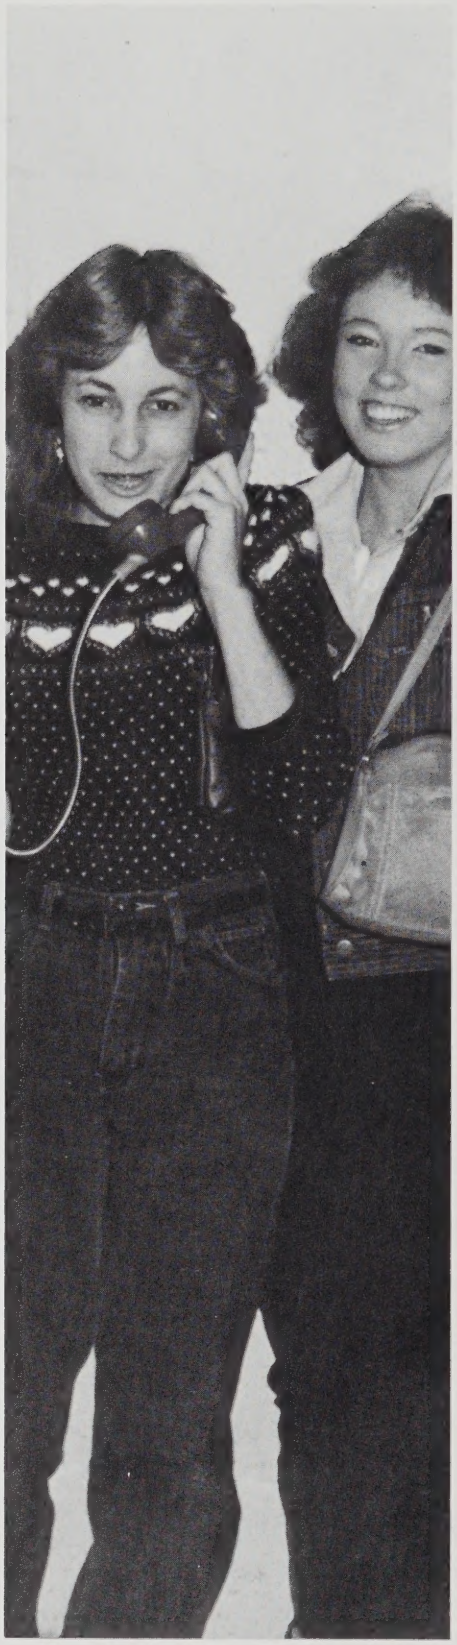
Tantasqua Regional High School

Tantasqua Regional High School
Sturbridge, Massachusetts
Brimfield, Brookfield, Holland
Sturbridge, Wales





Top Lending support and encouragement.
Bottom A vocational student hard a work.

There's always a time to laugh, even at school.

A typical Tantasqua student at the end of a long day.

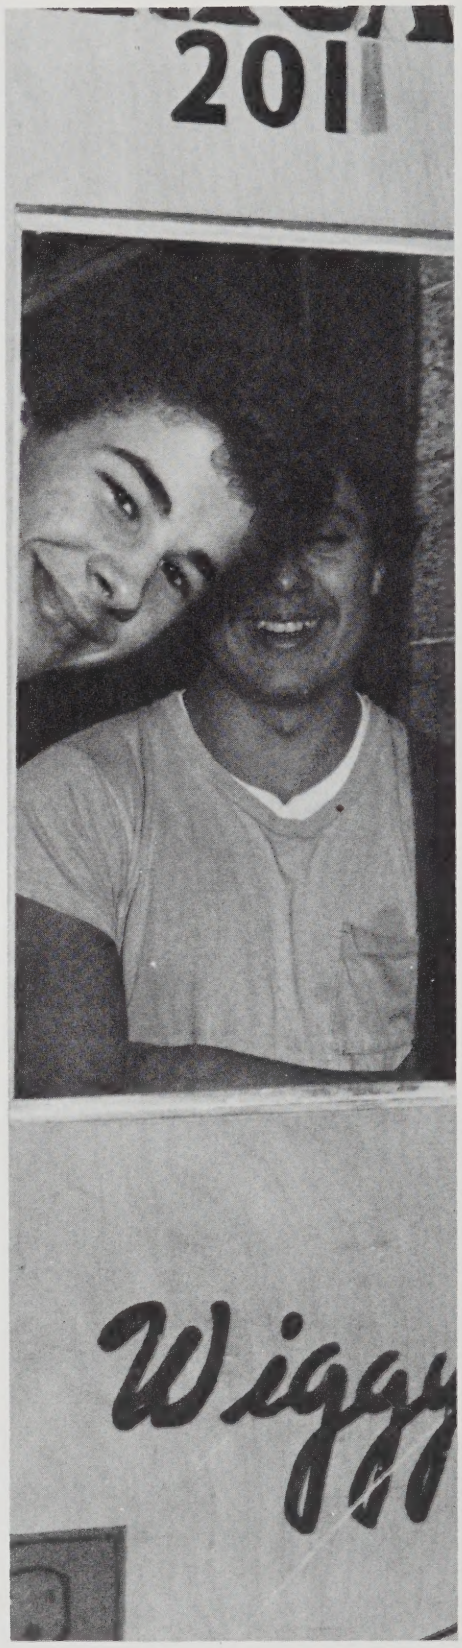
Strive for the Gold. The theme for this yearbook is also the theme for our lives. All of us are always reaching for goals, whether they be academic, athletic, or job oriented. Our high school years are only the beginning.

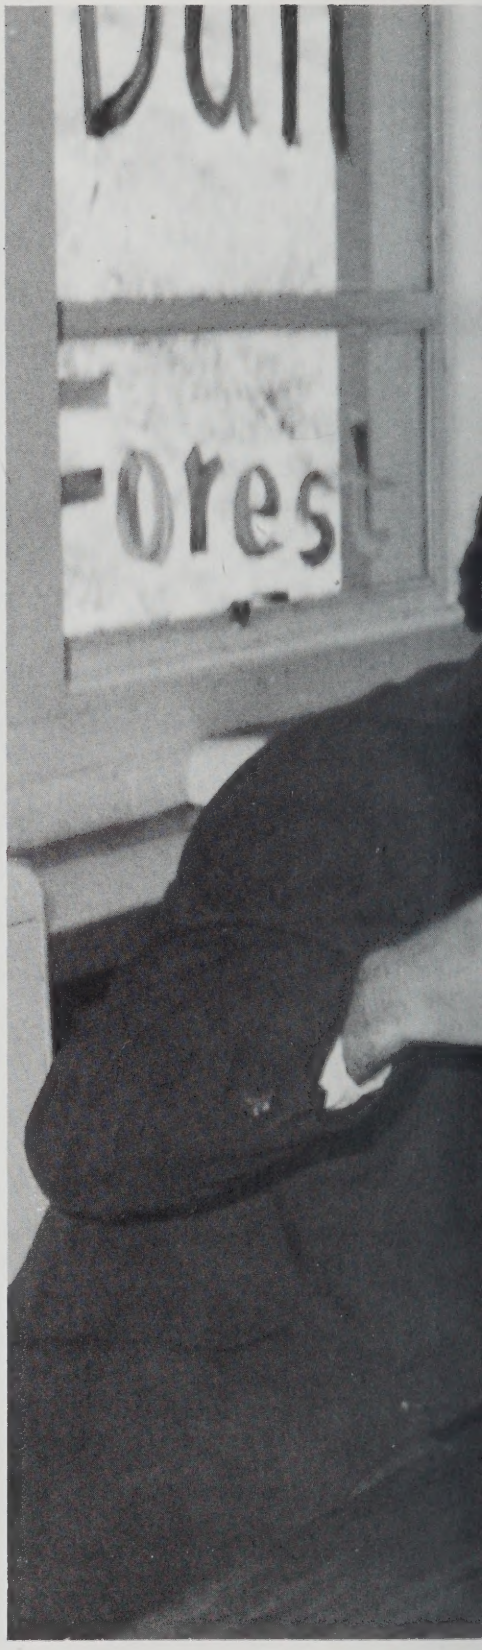
We're here at Tantasqua not just as individuals, but also as a student body, a team. With the help of our teachers, the coaches of our team, we can attain the rich gold of knowledge and understanding.

We strive to do the best we can in our schoolwork, our sports and our activities. Sometimes it's difficult, but very often it's a rewarding and satisfying experience in the end. As we look through our yearbook, as we look through the past, we'll remember the good times as well as the bad.

We can remember and reminisce with this yearbook, but when we're through looking back for a while, we must return to looking forward. We must return to striving for the Gold.

Opening





Top Donna Horn shows her Senior style.

Bottom Michelle Spenard, Senior field hockey player, chases the ball.

Senior Vocational student Todd Berthiaume smiles for the camera while his friend looks on.

Seniors sharing fun, friendship and fellowship — that's what it's all about.

Here we are at last. We've worked all of our lives for this. We're at the finish line of our high school years. We've been Striving for the Gold in that we've made achievements academically, athletically and personally to finally reach a goal. The immediate goal is, of course, a diploma, but this is only the beginning of our journey toward other goals: a job, a career, marriage, family.

Our Senior year is a time to look back, to reflect on our years of high school together. We can remember and thank special friends, teachers, and coaches that have helped us make it through. These people have helped to shape and direct our lives; they have influenced us intellectually, socially, and internally.

We've gone through practice in elementary school, participated in the intramural team of high school, and some of us will be going on to the big leagues of college. In the end we hope to be All-Stars, each one of us. It can happen if we keep Striving for the Gold.

At the finish line

TANTASQUA SCHOLARS

Valerie May

Steven Wilmarth

Once again it is time to honor the scholars of Tantasqua. Over the past few years it has become customary for the staff of the yearbook to recognize in a small way the efforts and accomplishments of these select people.

High school can be many things for many people. It can be a time of joy and a time of sorrow. It can be a time of success and a time of failure. It can be a time of victory and a time of defeat. It can be friends and acquaintances; parties and jobs and rallies and homework. And it can be the myriad other activities and emotions that adolescence is heir to.

But when graduation has come and gone; when the congratulations and parties have faded, and the realities of life barely glimpsed, then, and only the, perhaps, the importance of scholarship is perceived by a few.

So this is the time for recognition and reward. This is the time for those students who have excelled to enjoy the laurel wreath of victory coupled with the warm glow of satisfaction for a job well done. This is the time for them to realize that all the effort expended is somehow worthwhile.

It should also be emphasized at this time that the students whose visages adorn this page are the two top candidates to represent this graduating class. These two by dint of hard work, perseverance and dedication to the pursuit of excellence have placed themselves at the very pinnacle of the academic ladder. And by honoring them we are honoring all of those who have excelled.

With all of that in mind, we the staff of the 1985 TANTASQUAN hereby offer our most sincere and hearty congratulations to all you scholars.

Top: Sophomore Heather Sherman gives her all to the field hockey team.
Bottom: Kris Kelly, a Junior, laughs it up in the library.

Mike Matteson, Sophomore goalie for Varsity soccer, makes a terrific save.

Juniors sit attentively in their Analysis class

The underclassmen are working for their own personal goals. For many the gold they are striving for is graduation. Not only is it a goal worth working for, but it is a goal that is worthy of a determined effort.

The Juniors and Sophomores still have to worry about things the Seniors are no longer concerned with. They're still taking biology, chemistry, and history. They've still got college applications to look forward to. Of course, they also have the fun things of high school ahead of them, as well. There are dances to go to, games to see, and friendships to develop. What's more, the underclassmen must pick up where the Senior left off in representing Tantasqua in academics, sports and the arts.

The Juniors will be at the finish line in 1986 with the Sophomores to follow in 1987. Their efforts should carry them through the homestretch and on to a strong finish. We wish them the very best of luck.

Top Mr. Lesniewski at work in the machine shop
Bottom The start of another work day.

A normal day for a Tantasque teacher.

Mrs. Earle prepares the day's lesson.

Teaching is a difficult, demanding job. Teachers dedicate their lives to the betterment of young people, a noble goal.

Carl Linnaeus once said, "A professor can never better distinguish himself in his work, than by encouraging a clever pupil." How true. What a feeling it must be to be able to look at a now successful man or woman and know that you have done your part to put them where they are.

Of course, results are not always so dramatic, in fact they may not be visible at all, gratitude is a precious, seldom seen commodity, but a good teacher will keep working and hoping, despite these obstacles.

"A teacher affects eternity; he can never tell where his influence stops." These are the words of Henry Brooks Adams, and they embody the true function of a teacher. The mark of ancient teachers such as Socrates and Plato is still upon us, despite the hundreds of years that have passed.

The future is unknown, yet it is ours to shape, and our teachers help us to do this wisely. For this we thank them.

Work To Rule

This year has been tainted by contract negotiations. In a job action protesting the difficulty of coming to a compromise acceptable to both the teachers and the school committee, the teachers began to "Work to Rule": doing only what their contract specifies. As well as pins proclaiming "UNITY," or "We're all in this together," the teachers also began sporting green armbands printed with the initials TTA (Tantasqua Teacher's Association).

The teachers have been working without a contract since the beginning of the school year. The teachers claim that "due to the School Committee's inaction (their cancellation of 7 meetings) and a general unwillingness to negotiate (their proposals were presented 6½ months after ours), the ultimate goal of a contract settlement has been unnecessarily delayed."

There is a tension pervading the atmosphere of Tantasqua. Teachers are tense and the students uneasy. Some students feel they are being victimized by the teacher's work action, and they resent it. A few students feel that they don't have to follow a normally paced schedule, since the teachers are not spending as much time on their work.

Both the students and the teachers want the problem solved. The students want the situation ended because they feel the quality of their education is waning. The teachers' committment to teaching and to their students is strained by Work to Rule. However, they are also committed to their union, and without the power to strike (public employees cannot strike in Massachusetts), they feel they have no option other than Work to Rule. — November 1984

Todd Lussier attempts to head the ball in a game against St. John's.

The theme of this yearbook has a great deal to do with sports. Striving for the Gold is literally what the Olympics is all about, but it is also what high school athletics is all about. Just as the Olympic athletes represent our country, the Tantasqua athletes represent our school. Win or lose, our Warriors always make us proud.

Our athletes, male and female, work, practice and train as individuals, and more importantly, as a team. The feeling of accomplishment, pride, and satisfaction that comes from working together to reach a victory must be comparable to the feeling of winning a gold medal. It's a personal gold and sports have given us a chance to experience it.

Sports

DAZZLING SEASON ON THE DIAMOND

The 1984 edition of Warrior baseball started the season with no returning starting pitchers, no returning 300 hitters, no returning catchers, first basemen, shortstops, third basemen or outfielders. The prospects for a repeat performance of the 1983 District finalists were dim at best.

Yet, after it was over, they had fashioned an outstanding 17-5 record, losing to South High of Worcester, 9-3 for the District Division II championship.

Yes, they had done it again, with a mixture of five strong senior performers, two juniors who made big contributions and seven surprising sophomores.

The pitching staff was bolstered by junior, Chris St. Jean (7-2), and sophomore sensation Ryan Cox (9-2). Together they provided a very strong one-two punch to the tune of 16 victories.

One of the finest all-around performances in many years belonged to center fielder, Co-Captain, Scott Farland (379 BA, 35 RBI — 2nd all-time, 33 HTS, 8 HR — 2nd all-time. Steve Kingman solidified the infield at shortstop and was a demon at the plate (369 BA, 23 RBI). Paul Griggs, FB — .333, Ben Gamble, RF — .301, and Paul Davey, DH, OF — .231 rounded out the seniors.

It was the second year in a row that the Warriors lost in the District E, Division II finish. Yet, 33 victories in two years was an outstanding accomplishment for this fine group of athletes who did it with class.

SHINING YEAR FOR VARSITY SOFTBALL

The 1984 Warrior softball team was the best softball team ever fielded here at the reservation. Led by captains Karen Krans and Charlene Boudreau, the team won five straight games before losing and then went on to win fourteen games while losing only three. In five of those games the opposition failed to score a run. They were in the Border Conference title race all the way, and finished in a second place tie with Auburn, Bartlett won the pennant.

The team qualified, for the second straight year, for the District Tournament and lost a 1-0 thriller to Auburn. In that game Karen Krans pitched a one hitter but they failed to get the necessary run to win. Auburn went on to the finals of the tournament before losing to St. Peters High.

At the conclusion of the season Karen Krans, Mary Duff, and Charlene Boudreau were selected as Border Conference All Stars and Karen Krans was named to the Central Mass. All Stars.

JV GIRLS SPARKLE

The girls JV Softball team had a very successful year under Coach Joe Earls, finishing with a 13-2 record. A great hitting attack, led by tri-captains Kelly Tilton, Sharon Morin, Cheryl Fortier, and featuring Karen Champigny, Wendy Connor, Lynn Tryba, Cathy Boccia, and Robin Tibbetts, scored 250 runs. Amy Raczkowski, (5-1) and Sharon Morin (4-1) anchored the pitching staff. Season highlights included extra-inning win over Auburn and Shepard Hill.

Robin Tibbetts waits for a pitch.

GOLD ON THE GREENS

The golf team had perhaps its most successful season. For the first time ever, the team won the Border Conference. The team's record of 8-4 included 6 Border Conference wins against only two defeats. Two victories over Southbridge were highlights of the season. Due to its Border Conference Championship, the Tantasqua team participated in the District E Team Tournament.

On a cold day in May, Ron Perreault and Rudy Hellyar braved wind, fog, heavy rain, and even a partial eclipse of the sun to play in the District E Individual Tournament. Perreault finished with a respectable 87. Hellyar's 82 placed him 7th out of 97 golfers. As a result he became the first Tantasqua golfer ever to participate in the State Championship which was held at Andover Country Club.

Rudy Hellyar and Ron Perreault were named Border Conference All Stars. Hellyar was the team's MVP and Perreault was the Unsung Hero.

Strong performances by John Aloia, Mike Simpson, Mike Martell, Dean Simpson, and Jeff Ropiak were crucial to the team's success. Also important was the coaching job by John Keenan.

A banner now hanging in the Tantasqua gymnasium will be a permanent reminder of this team's championship season.

REACHING NEW HEIGHTS

Tantasqua's 1984 boys' track team showed their colors proudly last season. Coached by Bob Warren, the team of almost 30 members worked as well together as they did individually. Surprisingly, there was not just one single most important member of the team.

Barry Knight's outstanding performance all season helped to place him fifth in Central Massachusetts for the triple jump. More importantly he placed second overall in the Central Massachusetts Decathalon, which is a remarkable achievement.

Steve Stalker, one of the three senior captains and MVP for the season, set a new record in the 880 with a time of 2:02:90. Michael Holley broke school records and placed 8th in the state for the low hurdles with his winning time of 40.7 seconds.

Unsung heros Jeff Nicholas and Gary Farrell, along with captains Mark Wilson and Eugene Gaumond, and the rest of the determined team can take pride in winning first place in the Border Conference with a team record of 8-1. They really reached new heights.

Sherry Hoffman heads for the finish line.

MAKING TRACKS FOR THE GOLD

The 1984 girls' track team, coached by Dana Santelli, was comprised of less than 15 girls. Despite their valiant effort, they compiled a disappointing record of 0-12. One result of minimal numbers was the strong emphasis on individuality. The girls were highly motivated and worked hard to succeed.

Outstanding on the field were, Jan Frisbee, Missy Hurley, and Emily Davenport. Jan broke the school record with a long jump of fourteen feet and six inches. Emily, the exchange student from Norway, and Missy, who broke the school record at shotput, both competed at districts; Emily for discus, and Missy for shotput.

On the track, Val Shailer, team captain, and unsung hero, showed her dedication for the team through her admirable performance in the two mile. Sandy Silva, hurdler, was the girls' track MVP.

All the girls on the team were expected to compete in at least one running event and one field event and all in all, they exhibited much team spirit and enthusiasm.

Hurdler Sandra Silva was the team MVP

Missy Hurley readies herself to throw the discus.

ADVANTAGE — WARRIORS

The Tantasqua Girl's Varsity Tennis Team played valiantly, despite poor fan support. The team was comprised entirely of seniors and sophomores. The inexperience of the younger players outweighed the expertise of the elders: the season ended at O wins and 11 losses. Captains Julie Dionne and Michelle Amiro showed strong leadership, team support, and good performance. The 1985 season promises to be another building year.

Doubles partners Gabrielle Fiset and Beth Jensen in a match.

Keeping his eye on the ball, Jim Niejadlik prepares for a backhand swing.

POWER ON THE FIELD

Despite a losing record of 3-6, the Varsity football team's 1984 achievements are a far cry from 1983's sour 1-9 performance. Powered by Captains Barry Knight and Chris Johnson, the Warriors debuted the '84 season with a narrow 12-14 loss vs. David Prouty who was then ranked first in the division.

On the flip side of the coin, the team upset the first place Bartlett Indians by a score of 7-6. The Warriors also produced four Border Conference All-Stars. Barry Knight, Chris Johnson, John Degnan, and Buddy Pratt were the recipients of these honors.

Jamie Gerrish and freshman Vic Radella also had sparkling performances throughout the season. Peter and Paul Hayes were also the center of much deserved attention throughout the year. Tantasqua will be a force to be reckoned with in the '85 season.

Captain Tom Rigatti aims for the goal.

WARRIORS GIVE IT AN EXTRA KICK

Steve Tieri dribbles for a score.

The Varsity Soccer Team carried on the tradition of excellence this year by having yet another fantastic season. This year produced four Border Conference All-Stars (Mark Crompton, Steve Tieri, Alan Waters, and Todd Lussier), and also one T & G All-Star (Mark Crompton).

Captains Tom Rigatti, Jeff DeMauro and Jason McCallum provided excellent leadership to guide the team to a 9-2-1 Border Conference record and an 11-5-1 record overall. Steve Tieri and Mark Crompton each contributed an incredible 9 goals while goalie Matt Rousseau is credited with an equally awe inspiring 7 shutouts.

Although the Warrior Soccer Team placed second in the Border Conference, they are expected to do as well if not better under the leadership of next year's Captains Mark Crompton, Steve Tieri, and Alan Waters.

Tom Rigatti is this year's M.V.P., while Jeff DeMauro will receive the Unsung Hero award. Scott Kehir will get the Wyman Award.

Tantasqua, who is losing 10 seniors this year, will still be a strong threat next season with players like Matt Rousseau and Mike Southern returning. Warrior soccer remains a fall season highlight!

Mark Crompton displays the Warrior determination.

Todd Lussier makes a strong pass.

Mary Duff and Coach Emrich discuss the game.

Tracy Perez moves the ball down the field.

Captain Tina Barnicle playing defense.

Cindy Lawrence on an offensive play.

Heather Reece goes for the goal.

GOLDEN YEAR FOR GIRLS ON THE FIELD

History was made this fall as we fielded our first girls soccer team. Twenty-nine girls made up the squad that was guided by Coach Bill Emrich. Seniors were: Tina Barnicle (stopper), Karen Demers (sweeper), Marilyn Dickinson (wing fullback), Kari Kastango (goalie), Kerry LaFleche (wing fullback), and Sandra Silva (left wing).

There were lots of firsts this season. The first game proved to be a 3-0 victory over Worcester North. During that game, Marilyn Dickinson scored our very first goal. The first tie was 1-1 at Millbury and the first loss was 2-1 at Auburn. The first home win was a 3-1 victory over Millbury. The girls didn't lose a home game all season.

The most exciting game of the year was a 1-0 victory over Auburn, who was unbeaten until that game. The determination of the team and strong play of Kari Kastango, who stopped 4 goals in the final minute, won the game for the Warriors.

Other high points of the season were the 17 goals scored by ninth grader Heather Reece, the 7 games in which the girls held their opponents scoreless, and the honor brought to the four players selected as Border Conference All-Stars. They were Kari Kastango, Tina Barnicle, Heather Reece, and Sarah Roy. With a regular season record of 8 wins, 3 losses, and 2 ties, the team qualified for the District/State tournament, Division I.

At the conclusion of the season, Kari Kastango and Tina Barnicle were elected honorary captains for the 1984 season, and Mary Duff and Kerrie Bergstrom were elected captains for the 1985 season.

Interest in the sport is so high that eventually a Junior Varsity program will have to be developed.

We're going all the way.

Top Middle: The Warriors against Quaboag.

Mark Kocher heads towards the finish line.

The team warms up for a meet.

Robin Bouthiller flees across the course.

RUNNING FOR THE GOLD

1984 was definitely a reconstruction year for the Tantasqua Warriors, who turned few heads with their 5-5 Border Conference record. However, 1984 was also a year well spent.

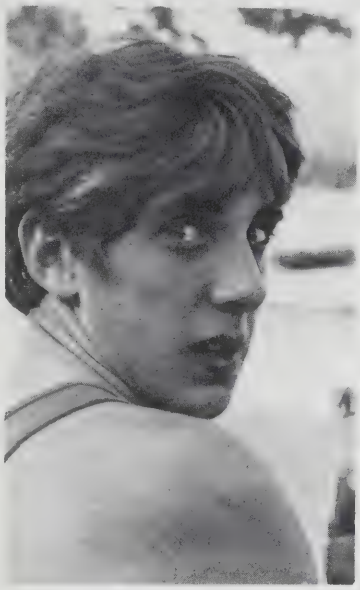
Paul Tremblay is expected to break every course's record when he returns for his senior year, while Mark Kocher and Henry St. Laurent should be hot on his heels. Unbelievably, Henry St. Laurent mustered several All-Star votes despite the fact that he joined for the first time this year.

Co-Captain Robin Bouthiller, Forrest Kocher, Dan Cutler, John Fagerquist and Layne Wandelear rivaled back and forth throughout the season. Often one picked up the slack as another fell behind. Teamwork continues to be a trademark of the Tantasqua Warriors.

Besides Robin Bouthiller and Forrest Kocher, Tantasqua is also saying goodbye to Dan Allen. Dan was the personification of courage and pride as he made excellent progress throughout the entire season. He is this year's recipient of the Unsung Hero Award, while Paul Tremblay will receive the M.V.P.

A freshman, Brian Blanchard, ran an exceptional season this year, placing 5th *overall* vs. Southbridge. Athletes to look for in '85 are Chris Fox, Mark DiFabio, Chris Fontaine, and especially John Phillips who was hindered by tendinitis.

Once again fan support was virtually non-existent but the team still looks forward to next year. There *is no* finish line . . .



Front Row: Brian Blanchard, John Fagerquist, Dan Allen, Layne Wandelear, Mark DiFabio. **Back Row:** Mark Kocher, Dan Cutler, Chris Fox, Forrest Kocher, Paul Tremblay, Henry St. Laurent.

WARRIORS STRIKE AGAIN

The girls nineteen eighty-four field hockey team was lead by first year coach Judy Erban. The team was small because many of last year's players graduated or chose to play soccer. Although the girls had trouble scoring, they played hard and they played well. Then M.V.P. was awarded to goalie Robin Tibbets. The Most Improved Player Award was presented to Sherry Hoffman, who played Inner, and to Leanne Szwarc, a first year defensive player. Sharon Morin, who plays center half-back was nominated as the team's Unsung Hero. A special Coach's Award was presented to Chris White, who played both offensive and defensive positions. The team is looking forward to a victory-filled nineteen-eighty five season.

Heather Sherman takes the ball up the field.

Tania Sladdin receives a pass.

Senior Captain Michelle Spenard dribbles toward the goal.

Captains Leslie Cooley, Jen Gowing, and Michelle Rousseau.

Chris Roy and Jen Gowing boost the spirit on the sidelines.

SPIRIT HAS NO LIMIT AT T.H.S.!

Tantasqua can always be proud of their cheerleaders. Varsity and J.V. squads perform with spirit, class, ability, unity, and sportsmanship unique to our school.

Although cheerleading demands much from its participants, veteran squad members realize the value of the experience in high school and keep it alive and well throughout the year.

Prime examples of cheerleaders for this year are Fall Varsity squad captains and seniors Michelle Rousseau, Jen Gowing, and Leslie Cooley, who have been "cheering on" soccer, football, and basketball teams since their freshman squad days.

Each season, familiar cheering faces like senior varsity veteran Karin Nelson, and new faces like fall varsity squad senior member Chris Roy, pass on their enthusiasm for cheering to the other veteran underclassmen as well as lots of potential new cheerleaders. This is evidenced by the number of girls who try out each year.

A "little Warrior spirit" addition brought smile to many at varsity football games this fall in the form of squad mascot, Jennifer Simanski.

Barbara Faford, junior and j.v. captain, kept the spirit rolling with her squad during the fall season.

Thanks to the cheerleaders of T.H.S.

Captain Leslie Cooley and Holly Cantara lead the cheers at a pep rally.

The squad runs through another perfect cheer for the Warriors.

The girls welcome the Warriors onto the field.

Captain Leslie Cooley shares her enthusiasm with Jennifer Simanski.

(Left to right) Jennifer Simanski, Captain Jen Gowing, Linda Poirier, Holly Cantara, Chris Roy, Captain Michelle Rousseau, Denise Guyan, Captain Leslie Cooley, Karin Nelson, Chris Kelly, Jennifer Sullivan.

John Degnan, Co-Captain, passes to a teammate, thinking fast.

Bill Dorney prepares to pass.

Co-Captain Chris St. Jean receives the ball.

Alan Hemingway goes up for the jump ball.

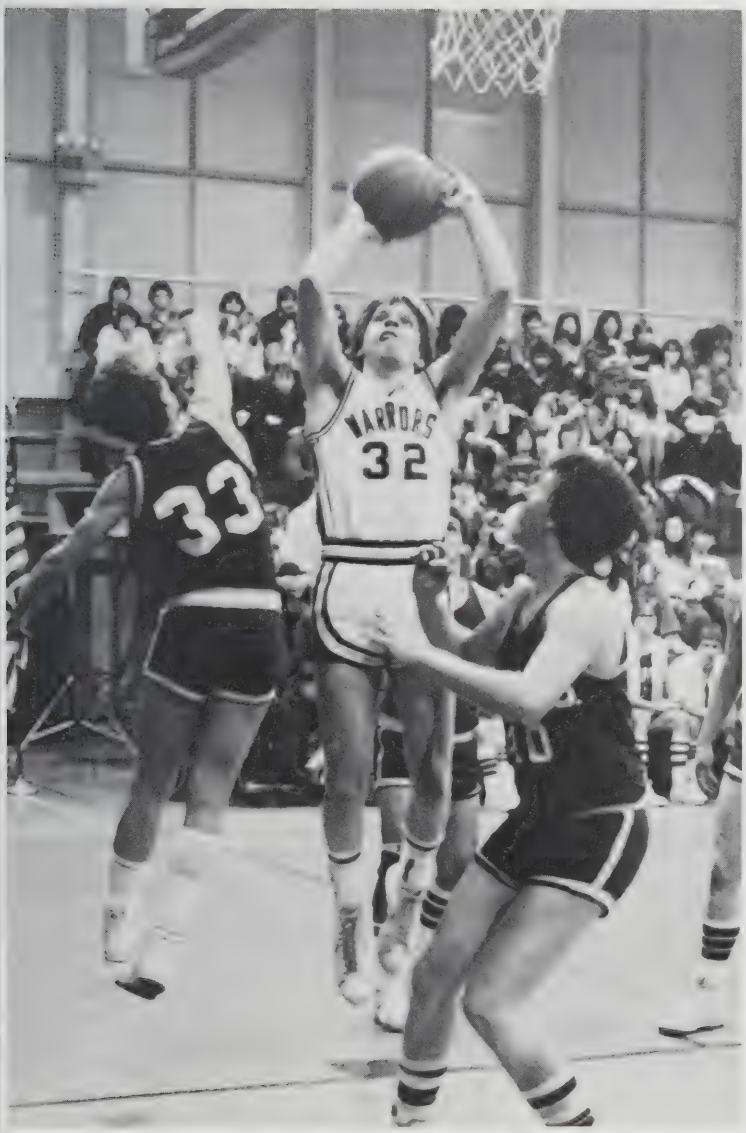
Jeff Fortier puts the ball up for a basket.

VARSITY WARRIORS SHINE ON THE COURT

Though the Warrior Boys Varsity Basketball Team may not have produced an outstanding record, anyone that viewed a game received their money's worth in action. Enthusiastic fans who followed when the team was on the road were ensured of a game that would keep them on the edge of their seats.

Athletic Director, Mike Dube, who stepped in as coach at the last minute, proved excellent support and guidance for his team of mostly newcomers. The good humor of Assistant Coach Chip Mannix also encouraged the team during their most competitive games.

Co-Captains John Degnan and Chris St. Jean, along with sophomore Mike Hart and junior Ray Crockett, led the team consistently throughout the action-packed season. Seniors leaving the team are Mark Hemingway and Chris St. Jean. The boys can all be proud of their well-displayed Warrior Spirit and their CLASS.



Alan Hemingway shoots to score.

Front Row: Jeff Fortier, Capt. John Degnan, Capt. Chris St. Jean, Bill Dorney; Back Row: Coach Dube, Michael Hart, Alan Hemingway, Buddy Pratt, Mark Hemingway

JUNIOR VARSITY BOYS SHOOT FOR THE GOLD

With only two returning players and a new first year coach, the Junior Varsity Boys Basketball Team was off to an uncertain start. And yet, by the end of the season they had shown everyone what they were made of and produced some promising prospects for next year's Varsity Team.

Scott Campbell and Matt Rousseau, veterans from last year, along with newcomers Scott Martin and Dean Dickinson were consistent high scorers with very good seasons overall. Another newcomer who can also be proud of his first season was the new coach, Mr. Mannix. This Quaboag teacher did a great job of bringing his team together and giving new players valuable experience.

Although their record may not have shown their talent, the actual scores and game action did. They were a fine team and they can look forward to an even better season next winter.

Scott Martin, Co-Captain, takes a shot from the foul line.

Dean Dickinson jumps up and shoots.

High in the air, Scott Martin blocks opposing team members.

Dean Dickinson attempts to block a shot while teammate Scott Campbell looks on.

Scott Campbell protects the ball from the opposing team.

Three Varsity girls watch a shot by Renee Garneau.

Front Row: Robin Tibetts, Kerry LaFleche, Cheryl Fortier, Renee Garneau, Jesse Penn.
Back Row: Coach Earls, Dawn Perry, Sharon Morin, Melissa Plante, Jan Hemingway, Heather Sherman, Wendy Connor

Missy Plante puts up the ball in a game against Quaboag.

Jesse Penn takes a shot during the warm up before a game.

Renee Garneau avoiding an attempted block by a Quaboag player, jumps for a lay-up.

Kerry LaFleche prepares to shoot.

VARSITY GIRLS HAVE A GOLDEN SEASON.

The Varsity girls' basketball had a tremendous season. With the efforts of outstanding players and a dedicated coach, the girls made it to the finals of the Western Worcester County Girls Basketball Tournament.

It was a team that wouldn't quit. Their final record was 9 wins and 11 losses but it was their last few spectacular games that brought them through the tournament and into the finals. Coach Joe Earls led and supported the team all the way. The Team's star players were Kerry LaFleche, Renee Garneau, Missy Plante and Dawn Perry. Graduating Seniors Garneau and LaFleche will be leaving a team with a lot of promise and memories of an excellent season.

Our Varsity girls lost their final game but their overall season was a mighty victory.

Dawn Perry dodges opponents and runs for the basket.

Graduating Seniors Renee Garneau and Kerry LaFleche on Senior Night.

J.V. GIRLS MOVING DOWN THE COURT

The J.V. girls basketball team did well this year under the direction of Mr. Shillieto, a teacher at the Junior High school, and with the assistance of Mr. Earls. Although the team was mostly comprised of Freshmen girls there were three sophomores, Sharon Morin (who also played Varsity), Wendy Mongeau, and Chris Leonard.

Everyone's effort gave them a record of six wins and ten losses. Freshman Laura Barnicle was a consistent high scorer, but she is certainly not the only prospect for the Varsity team next year. The J.V. girls had a season to be proud of and they can anticipate a good one in the upcoming winter, as well.

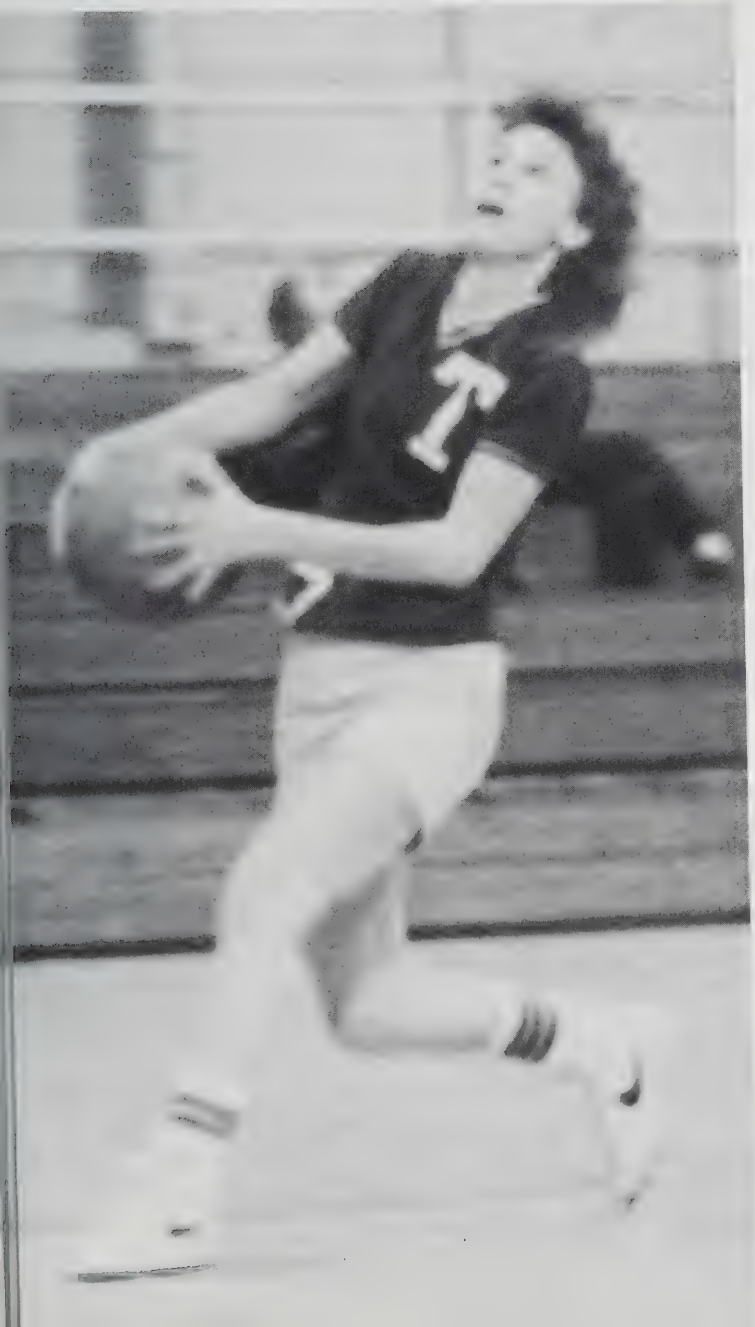
The Warriors struggle to keep the ball from the Quaboag girls.

Laura Barnicle looks toward her goal, the basket.

Heather Reece jumps for the lay-up.

Danielle Bultron goes for the ball.

J.V. girls stay in close to block their opponents.



Suzanne Wheaton backs up her teamates.

Back Row: Susan Nelson, Tammy Gresenz, Sue Wheaton, Danielle Bultron, Tammy Morgan, Wendy Mongeau, Robin Shelton

A cheerleading formation at the start of a game.

CHEERING COURTSIDE FOR THE GREEN AND GOLD

The Basketball cheerleaders were as devoted and hard working as ever this year. With some new faces and some old, these girls came together to cheer our basketball players on all season.

They spent hours after school and at games home or away. With a smile, a cheer or a shout of confidence they supported the players and represented the spirit of Tantasqua wherever they went. The cheerleaders are our special ambassadors.

Front Row: Jennifer Sullivan, Holly Cantara, Julia Berinstein, Donna Krans. **Second Row:** Denise Guyan, Linda Poirier, Amy Raczkowski, Kathy Boccia. **Back Row:** Kris Kelly, Leslie Cooley, Karin Nelson, Allison Brown.

Middle Right: The cheerleaders wait for the cue from co-captain Leslie Cooley

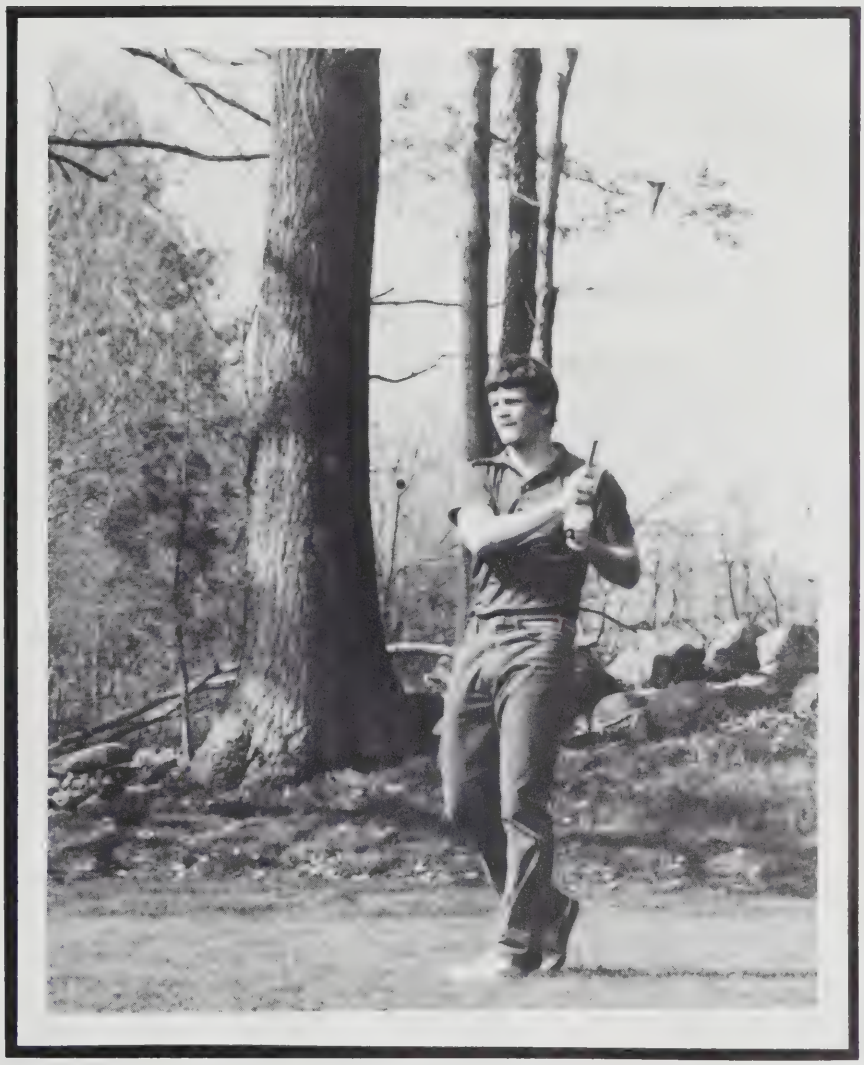
Dedication



In Memoriam

We dedicate this yearbook to John Aloia. To us he was a student, an athlete, . . . a friend.

Vocational

As another year ends, we observe again, our young friends leave — to go each their separate ways. They are no longer a class, but are individuals who have only just begun.

They have a trade and he who has a trade, has an estate. They will apply their trade, live their lives, improve and grow, achieve and set new goals.

When their work is done, their aims fulfilled, they can truly say, "We did this ourselves."

Charles Pieterse

Drafting

Hey Dude, What's Up?

Roma Hanley with the rest of the marching band at the Homecoming game.

A Tantasqua Pep rally before the football game against Southbridge.

Excellence in academics and athletics has long been considered a way to strive for the gold. Extracurricular activities, on the other hand, are a way to add luster to the gold one earns in other areas. The National Honor Society and Tri-M, (Modern Music Masters), accented their achievements in their respective areas by volunteering for events throughout the year. The Math Team kept the tradition of excellence alive by having yet another respectable year.

The Student Council, Class Officers, and School Committee Representatives continued to work for the school with the same dedication as in years past. All of the activities give us a chance to work together outside of school and sports. By becoming involved in the clubs and organizations that the school offers, one gives extra meaning to one's efforts in academics and sports. Very often, an individual with an active record in extracurricular activties stands a better at college than one who devotes his or her energies at the books. Striving for the gold, even in activities, pays off.

Activities

A Glittering Night

Last spring on a May night things were really stirring within this five-town realm because that was the night of the 1984 Senior-Junior Prom. In the grand Mechanics Hall in Worcester, a buffet was first served followed by a dancing to the sounds of "Music Company," a Boston-based band. The latter part of the evening involved the election of the 1984 Prom Queen and court. After long deliberation the Prom Queen was Doreen DeMiranda with her court being Kristen Cabral Jennifer Persson, Lauri Fagerquist and Michelle Rousseau.

Two senior members of the Queen's court were Jen Persson and Kristen Cabral with their escorts Dana Demetrius and Jim Nicholas.

Above is the 1984 Prom Queen with her escort Ben Gamble.

Above Left are the Junior Members of the court Lauri Fagerquist and Michelle Rousseau and their escorts Mark MacGrath and Barry Knight.

National Honor Society Inductions

Foreign Friends

This year we had five foreign exchange students among us. These people did something most of us may never have the opportunity or courage to do. They left their families, their homes and all that was familiar to them, including their languages, to come to a new country for the experience and the education.

Not only did they learn from us at Tantasqua but we learned from them. Anyone who met anyone of these students learned that no matter what land we're from or what language we speak, we can be friends and share common experiences. Anke, Anne, Jean, Mary and Raquel were always friendly, outgoing and willing to try to learn things. Let's hope that no matter where we go we can be good ambassadors and representatives of our country like they were for theirs.

National Honor Society Pancake Breakfast

Every year the National Honor Society puts on a pancake breakfast for the public. It's a lot of hard work and organization but it's also a big success and a lot of fun.

This year with the help of all the officers, members, area businesses and advisor, Mr. Castendyke, N.H.S. hosted a breakfast on Thursday, November 4, 1984. It meant for some people, being at the school at 7:00 a.m., to separate bacon, prepare coffee and mix pancake batter.

By 9:00 a.m. the breakfast was ready and hungry patrons arrived. N.H.S. members served until 12:00 p.m., just before the homecoming game. As usual, the breakfast was a success. The National Honor Society made a profit of about $400.

N.H.S. Secretary Jennifer Puckett and Vice President Dan Allen serve a hungry customer.

N.H.S. President Katie DiFabio tests the pancakes; the N.H.S. strives for perfection!

Janice Yelinek helps out preparing bacon.

WORK TO RULE — TANTASQUA IN THE NEWS.

Tantasqua teachers, working without a contract, began work to rule action on October 1, 1984.

Students were angered by loss of late nights and teacher involvement in extra activities, but the teachers weren't happy either.

Frustrated hours were spent by the Tantasqua Teachers Association and the School Committee negotiating a new three year contract. Parents, students and other teachers participated in open sessions, as well.

Students staged a walkout in January protesting the situation. Mr. Simanski and Mr. Bombard responded with understanding by setting up a time for each individual class to discuss what was going on.

To the relief, but maybe not the approval, of all a contract settlement was reached in February 1985.
However unpleasant, "Work to Rule" was a part of our year and therefore we felt it deserved documentation in our yearbook. We hope we have presented as brief and unbiased an account as possible.

To the Class of 1985
An Irish Blessing
May the road rise to meet you,
May the wind be always at your back,
May the sunshine warm upon your face,
the rain fall soft upon your fields,
til we meet again may God
hold you in the hollow of His hands

Best Wishes
